

Sunday 1st June, Statewide
More info: events@pyv.org.au
www.pyv.org.au (follow links to 'the Big Plug')

A new event has been included in the 2008 PYV calendar to help local congregations understand and learn about the vital role PYV plays in this denomination.

The “Big Plug” has been created so local congregations can personally hear and see the work of PYV from members of their congregation, or by using the “Big Plug Pack” that all ministers in the state will receive.

The “Big Plug” is scheduled for Sunday 1st June 2008. We encourage pastors/ministers to put aside 10-15 minutes of the worship service to implement the “Big Plug” in one or more of the following ways:

1. Prior to 1st June, ask one or more teenagers or young adults in your congregation that have been involved with PYV to give a 10 minute presentation on PYV (using the resources provided and their own personal testimony)
2. Play the supplied DVD during their presentation to show the congregation what PYV does. This could also be shown throughout the week at Bible study/cell group/Youth Group etc
3. Distribute the supplied pamphlets, flyers and general information to the congregation after the service
4. Promote the retiring offering which will be held to assist PYV with its continuing leadership development.

We ask you, as the minister to approach members of your congregation first to make this presentation. If you don't have any youth in your congregation we strongly urge you to continue with the “Big Plug.” PYV is always looking for older mature Christians who have a heart for youth ministry to help with training, teaching, mentoring and any other help they may be called to do. PYV also relies on prayer and for this reason it is important to understand the work of PYV so prayer can be offered.

Alternatively, if you would like a representative from PYV to come to your service **please contact us before Friday 16th May** either by events@pyv.org.au or phone (03) 9023 0153 and leave a short message and PYV will endeavour to meet your request.

Please take the time to read through the material sent out and meet with those who will be making the presentation during the Sunday service. We thank you in advance for your time in preparing for the “Big Plug”. PYV is vitally important ministry in our denomination and we look forward to this small event yielding big fruit for the kingdom of God.

For His kingdom,

Graham Bradbeer
Moderator, PCV

Alex Venn
PYV President
