Fuelled Training Day  
45 Lawton Ave,  
Geelong West, Vic 3218

Payment will be accepted by  
money order or cheque.  
**Please make payable to  
Presbyterian Church of Victoria.**

**John P Wilson – Deacons and their work in the church**

John is lecturer of our PTC and Acting Assembly Clerk. He will be presenting the Bible's teaching on the office, the qualifications, the function, the operation, and the benefits of having a deaconal ministry in your church. Extensive notes and DVD resources from PTC Media are available to further resource churches in this field.

**Allan M Harman – Gospel for all nations**

Allan is retired principal of our PTC, with extensive responsibilities in the PCV, PCA, and related circles. Motivating us to spread the Gospel of Jesus Christ, Allan will be tracing God's program of drawing all nations to his throne of mercy from the Old Testament, into the New, and on to today. Mission and evangelism rests on God's program for the world – we are part of his mission to the nations.

**Robert L Carner – Discipleship training and development for churches**

Robert is Director of our newly formed Healthy Churches Committee. He will be passing to us the indispensable knowledge of the Bible's teaching on discipleship. What is discipleship? How do we disciple? What difference does a deliberate undertaking to disciple make to the life and health of a church? These are the questions that burn in the heart of every serious church leader. Robert Carner will provide us with the resources in this critical field of ministry.

**Training on new Annual Financial Return (MM) Forms**

Essential training for all those involved in the financial management of our churches. Run by our BIF/Maintenance of Ministry, subjects include: Standard Charter of Accounts; Completing the New Annual Financial Return Form; The Interface of Accounting Systems; General Accounting Procedures; and of course, the answering of your many, many questions.

**FUELLED** training days have been specifically designed to provide practical support to local churches in all areas of the state. They particularly emphasise equipping all types of church leaders – ministers, elders and leaders of ministries.

Our aim is to give everyone in the Presbyterian Church of Victoria access to high quality training and resources. We want to help you as you continue to develop a cross-shaped community, changing your neighbourhood, nation and world.

We are using this opportunity to provide workshops and seminars on growing small groups, church administration, children's ministry and our Church's child protection policies.

Please make the most of this opportunity by organising part or full subsidies to encourage those attending from your church, plan a car pool or two to help with transport, and even if you can't get to FUELLED yourself – please recommend it to someone else in your congregation.

### Cost:

(includes morning & afternoon tea, lunch and paper work for the day)  
Early Bird Rego (before 27/11/06):

only **\$20.00**
